

## Highlights

- ◆ We have a developmental and child-focused curriculum and believe that children learn through play and hands-on exploration.
- ◆ We take field trips regularly and have guests from the community visit us!
- ◆ We recognize the importance of outdoor physical activity. Students participate in at least 30 minutes of outdoor play nearly every day!
- ◆ Our parents play an integral role in our school, assisting in the classroom, accompanying children on field trips, attending family-focused events, and serving on school-related committees.
- ◆ We have a 2-day morning class for ages 2.9 to 5, a 3-day morning class for ages 3 to 5, and a 4-day afternoon class for ages 4 to 5.
